

AMENDMENTS TO THE CLAIMS:

This listing of claims will replace all prior versions and listings of claims in the application:

Claims 1-63 (canceled)

Claim 64 (currently amended): A one-piece closed shape structure, comprising
an outer skin formed of a composite material;
an inner skin formed of a composite material;
a frame located on an interior portion of the inner skin; and
a core material located between the inner and outer skin, wherein the outer skin,
inner skin, frame, and core material have been simultaneously co-cured to form
the one-piece closed shape structure.

Claim 65 (currently amended): A one-piece airplane fuselage, comprising
an outer skin formed of a composite material;
an inner skin formed of a composite material;
a frame located on an interior portion of the inner skin; and
a core material located between the inner and outer skin;
wherein the outer skin, inner skin, frame, and core material have been
simultaneously co-cured to form the one-piece airplane fuselage.

Claim 66 (currently amended): The airplane fuselage of claim 65, further comprising at least one integrally formed flange that has been simultaneously co-cured with the outer skin, inner skin, frame, and core material.

PATENT
Customer No. 22,852
Attorney Docket No. 7707.0019-02

Claim 67 (currently amended): The airplane fuselage of claim 66, further comprising at least one integrally formed wing attachment pocket that has been simultaneously co-cured with the outer skin, inner skin, frame, core material, and flange.
